Camper Expectations & Behavioral Guidance

Campers are expected to comply with the rules and regulations of Camp Levine and consistently behave in a manner that is appropriate and safe. Camp Levine staff, teachers, and teen apprentices guide campers to become positive members of the Camp Levine community by:

- Providing guidelines and limits that are clear, fair, consistently applied, and appropriate to the children to whom they apply.
- Providing positively worded directions and feedback.
- Accepting and expecting age-appropriate and developmentally appropriate behavior.
- Redirecting children to positive and appropriate actions/behavior.
- Rewarding positive behaviors and addressing negative behaviors as needed.

Campers are expected to show respect for their fellow campers, teen apprentices, teachers, and staff. Undesirable behavior, non-compliance, inappropriate language, and bullying will be addressed. Any acts of violence, repeatedly disruptive/inappropriate behavior, and/or repeated non-compliance will result in suspension and/or expulsion without refund. **Levine Music reserves the right, at its sole discretion, to dismiss a camper if dismissal is in the best interest of the camper, the rest of the campers, teachers, and/or staff.**

Health & Safety

Health Forms

Campers **will not** be allowed at Camp Levine without a completed health form. All complete health forms are due on **May 1st**.

ePACT

To safely and securely collect camper health information, Camp Levine uses ePACT Network, a HIPPA compliant health and safety software to better support our camp families and make it easier to submit camper health and contact information.

Returning campers will be invited to reconfirm or update their current ePACT form information for their camper(s).

Families new to Camp Levine will receive an email invite from ePACT.

It's a very simple process:

- You'll be emailed a request for each child enrolled for Camp Levine.
- Click the "Complete Request" button.
- Create an account and follow the prompts to share data with Levine Music.

Note: If you have more than one child attending, family data will automatically prefill, saving you time!

For more information about how ePACT works, check out this video [How ePACT Works](#). If you have questions or concerns, please contact us at camp@levinemusic.org or visit www.epactnetwork.com.

Allergies & Food

- **As an open campus, Levine Music does not provide a nut, milk or other allergen-free environment because the risk of accidental exposure is always present.**
- We train our staff to recognize and respond to food allergies and anaphylaxis. Camp staff and teachers receive EpiPen training, so they are prepared in the event of an anaphylactic emergency.
- We do not exclude nuts or other foods packed in individual lunches.
- We seat campers with food allergies in a designated "allergy-free" area. All campers are welcome to join their friends, provided their lunch does not contain any foods that could cause an allergic reaction.
- If your child needs to bring a snack in the place of those we provide, please send a snack in a bag clearly marked with the camper's name.

Medication: **We DO NOT administer medication at camp.** If your child requires medication, you will need to come to the campus and administer the medication. Please note that in an anaphylactic emergency, we will administer an EpiPen.

EpiPens and inhalers must be clearly labeled with the camper's name and must be kept in the Camp Office along with an Action Plan provided by your doctor. We will not accept EpiPens or inhalers without an Action Plan. We inform staff, teachers, and teen apprentices of campers' medical concerns. Camp staff and teachers receive EpiPen training.

Emergencies: We are equipped with first aid kits to handle minor injuries. If an injury is serious, we will contact the parent or emergency contact listed on the camper's Health & Safety Form. If the emergency is severe, emergency personnel will be contacted immediately. Most of our camp faculty and staff are CPR/AED/First Aid certified.

Sunscreen: Parents are responsible for applying sunscreen to their camper before the camp day. Sunscreen is not provided by Camp Levine and we are not able to apply sunscreen to your child.

Illness: If your child is not feeling well, has a fever, and/or is suffering from diarrhea or vomiting, please keep them home. If a camper becomes ill while at camp, we will contact you to come pick up your child.

If a camper has a fever of 100F or higher while at camp they will contact you to come pick up your child. They should not return until they are fever free for 24 hours without medication. A camper is allowed to return when their temperature is 99.6F or lower.

Please report any contagious condition to camp@levinemusic.org immediately. This includes COVID, head lice, strep throat, chicken pox, flu, etc. Children may not attend camp without evidence that treatment is underway and that they are no longer contagious.
